

Clint Swierczek

Laramie

Clint began his coaching career in 1982. He has coached exclusively in Laramie at the Junior High and High School. He has had the privilege of coaching student athletes of the highest quality. Clint is very proud of providing the students with meaningful instruction, team concepts, equal playing time, and leading them to a high level of success. One of his most satisfying accomplishments is to see many of the athletes that he has coached have great careers in high school and college athletics. Clint would like to thank his wife Debbie, and daughters Stephanie and Jessica for their support and encouragement throughout his career.
