

## **Brick Cegelski**

**Inducted 2017**

**(Plaque #210)**

**Brick Cegelski has been coaching football and track at McCormick Junior High and Central High School for nearly 30 years. He began his coaching career in Cheyenne, and is still coaching high school track. He has earned the reputation as a “players coach” who develops great relationships with his athletes. Brick has coached plenty of State Champions along the way. He is very proud to be a part of their lives, and to have them be a part of his life.**

**Brick was a 1980 Central High graduate, and he feels his opportunity to be back in his hometown coaching at his alma mater is an honor and privilege. He has been mentored by and worked with some of Wyoming’s great coaches. He coached football for 27 years, 18 of those as the head coach, and he has coached track for 28 years and plans to keep going. During this time, he made some very good friends. To many of these friends, he thanks them for what they have done for him, not only as a young coach, but now for the Hall of Fame recognition. If it were not for them, he would not be in the place that he is today. He cherishes all the friendships and memories.**

**He would like to say that none of this would have been possible if he did not have the support of his family. First, his wife Laura who is his biggest fan, and a great fan of CHS. She understood the time commitment and his love for sports. Also, his son Brick James, who he coached as a quarterback on a State Championship football team, and is now a young, and upcoming coach in Wyoming. In addition, his daughter Shelby Austin, who he coached in track, and watched win two State Championships in basketball. Finally, his mother, Ruth, for all of her support along the way. Love you all.**
